Government Order No. D. 10143-5—Edn. 36-26-67, dated the 24th March 1928, sanctioning the opening of 54 schools on grant-in-aid basis in the Mysore District.

2. Correspondence ending with letter No. D_4 2591-103—28-29, dated 15th February 1929, from the Director of Public Instruction in Mysore requesting, in the circumstances explained, sanction for the opening of 30 more Village Panchayet Grant-in-aid schools in the Mysore District with effect from 1st July 1929 at a recurring expenditure of Rs. 3,000 per annum and a non-recurring grant of Rs. 3,000, the charges being met from the balance of the Education Cess of the District.

ORDER NO. D. 9201-3—EDN. 686-28-3, DATED 6TH MARCH 1929.

The normal income from the Education Cess in Mysore District was estimated at Rs. 1,10,000. Against this, after leaving a reserve of $\frac{1}{10}$th of the income, *viz.*, Rs. 11,000 for fluctuations, etc., an expenditure of Rs. 99,555 has so far been sanctioned.

According to the budget estimates of the Mysore District Board for 1927-28, the estimated income was fixed at Rs. 1,24,000. The actual income realised during the year was Rs. 1,18,000. The income for the year 1928-29 is estimated at Rs. 1,15,000.

After setting apart $\frac{1}{10}$th of the estimated income as reserve against fluctuations, etc., and deducting the recurring charges of Rs. 99,555 already sanctioned, there will be a balance of Rs. 3,945 available for improving the educational facilities of the District.

The Director has submitted proposals, in consultation with the District Board, Mysore, for opening 30 new Village Panchayet grant-in-aid schools with effect from 1st July 1929, at a recurring cost of Rs. 3,000 and a non-recurring expenditure of Rs. 3,000 for equipment of the new schools.

In the circumstances explained above, Government are pleased to sanction the recommendation of the Director of Public Instruction for opening 30 new Village Panchayet Grant-in-aid schools (*vide* list appended) in Mysore District with effect from 1st July 1929, at a recurring cost of Rs. 3,000 per annum and a non-recurring expenditure of Rs. 3,000, the former being met from the balance available out of the Education Cess Funds, and the latter from the accumulated balance of the Education Cess of the District.
